About Us

IGG Learning Private Limited Co. was founded more than two years ago and began as merely an agent for the supply of foreign workers. Today, it manages foreign workers, provides manual labour services, and is active in the educational sector.

Our established working relationships with overseas partners, our experienced senior management team, and our utilisation of information technology in our business operations are our main competitive advantages over our industry counterparts.

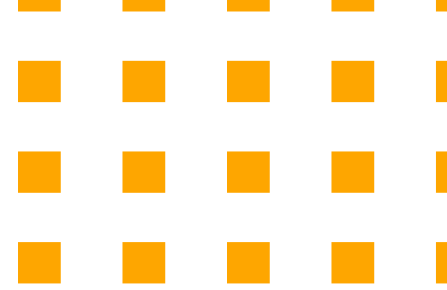

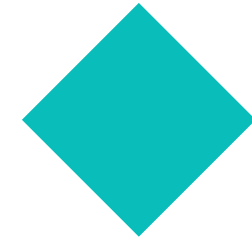

As it works to dominate the Gulf foreign worker management services industry, IGG Learning Private Limited Co. is dedicated to meeting the labour needs of Saudi Arabia's diverse industries.

Manufacturers of electronics and electrical goods, shopping malls, food and beverage service providers, lodging establishments, and convenience stores are among our clientele. IGG Learning Private Limited Co. intends to expand into the manufacturing and services industries in the future.

to establish a mutually beneficial, close-knit relationship with each and every one of our clients and applicants. We understand that consistency is essential to achieving our purpose, which is why we are continually working to develop more efficient ways to serve our customers while being fervently dedicated to the highest standards of excellence in our recruitment services.

We always take immediate action, attend to client demands promptly, and keep our word to only offer the best staffing services.
